## Directors' Report

30 June 2018

### Information on Independent Representative

Mr Richard Forbes	Member Audit and Finance Standing Committee
Qualifications	Bachelor of Business (Accountancy) Chartered Accountant
Experience	Managing Director, 333 Capital Member of Chartered Accountants Australia and New Zealand Non Executive Director, Greyhound Australia Pty Ltd Non Executive Director kikki.K Holdings Pty Ltd

### (b) Principal Activities

The principal activities of Vision 2020 The Right to Sight Australia during the financial year were to lead advocacy efforts, facilitate sector collaboration and raise community awareness about eye health and vision care in Australia.

No significant change in the nature of these activities occurred during the year.

### (c) Key performance measures

The company measures its own performance through the use of both quantitative and qualitative benchmarks. The benchmarks are used by the directors to assess the financial performance of the company and whether the company's short-term and long-term objectives are being achieved.

The surplus of Vision 2020 The Right to Sight Australia amounted to \$ 75,642 (2017 Surplus of \$104,387)

### (d) Members guarantee

Vision 2020 The Right to Sight Australia is incorporated under the Corporations Act 2012 and is a company limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of \$20 each towards meeting any outstanding obligations of the entity. At 30 June 2018 the total amount that members of the company are liable to contribute if the company is wound up is \$ 740 (2017: \$ 760).

### (b) Aims, goals and objectives

The company has three overarching aims:

**National:** To eliminate avoidable blindness and vision loss in Australia by 2020 and to enable greater community participation of people who are blind or vision impaired.

**Global:** To reduce avoidable vision impairment as a global public health problem and to secure access to rehabilitation services for people who are blind or vision impaired in Asia and the Pacific.

**Organisational:** To operate a respected, effective, efficient and sustainable peak organisation.

# Vision 2020 The Right to Sight Australia

ABN 34 094 070 014

## Directors' Report

30 June 2018

### (b) Aims, goals and objectives

#### Seven goals underpin these aims:

- Goal 1: To eliminate avoidable blindness and vision loss in Australia through prevention, early detection and intervention and improved awareness
- Goal 2: To improve the ability of Australians who are blind or vision impaired to participate in the community
- Goal 3: To ensure that Aboriginal and Torres Strait Islander people have equity of access to quality eye health and vision care services
- Goal 4: To ensure evidence supports better, sustainable service and program delivery
- Goal 5: To ensure that eye health and vision care is regarded as a public health priority in Asia and the Pacific
- Goal 6: To increase capacity to deliver eye health, vision care and services and supports for independence and participation in Asia and the Pacific
- Goal 7: Vision 2020 Australia's structure and systems ensure its sustainability, capacity to comprehensively represent the eye health and vision care sector as its peak body and support delivery of its work in policy development, advocacy and program coordination, in partnership with members.

#### To achieve these overarching aims and underpinning goals, the company has adopted the following strategies

**National:** To eliminate avoidable blindness and vision loss in Australia by 2020 and to enable greater community participation of people who are blind or vision impaired.

1. To eliminate avoidable blindness and vision loss in Australia through prevention, early detection and intervention and improved awareness
  - To secure the support of Australian governments for prevention and early intervention initiatives in policy and funding and recognition of the economic and social benefits of interventions
  - To increase awareness of the importance of prevention and early intervention to eye health and vision care through delivery of health promotion, education and communication activities
  - To improve the efficiency and effectiveness of eye health interventions and initiatives through providing opportunities for sector collaboration and coordinated action
  - To improve the integration of eye health services into the broader health sector
2. To improve the ability of Australians who are blind or vision impaired to participate in the community
  - To improve the evidence base for the social and economic benefits of services and supports for independence and participation
  - To secure the support of Australian governments for services and supports for independence and participation in policy and funding
  - To improve public awareness of the limitations of NDIS and Aged Care funding to encourage continued philanthropy
3. To ensure that Aboriginal and Torres Strait Islander people have equity of access to quality eye health and vision care services
  - To secure support for the implementation of the recommendations of the Roadmap to Close the Gap for Vision by all Australian governments
  - To improve equity of access to quality and culturally appropriate eye health and vision care services through implementation of the recommendations of the Roadmap to Close the Gap for Vision and increased sector collaboration
  - To establish a national oversight function to set priorities, monitor progress and report outcomes on the Roadmap to Close the Gap for Vision to all stakeholders
4. To ensure evidence supports better, sustainable service and program delivery
  - To facilitate the sharing of evidence and the measurement of improvements in eye health and vision care
  - To inform future policy and program development in eye health and vision care at the national, state and territory levels through the implementation and evaluation of the Victorian Vision Initiative
  - To advocate for funding for research in the area of eye health and vision care to increase the evidence base.

# Vision 2020 The Right to Sight Australia

ABN 34 094 070 014

## Directors' Report

30 June 2018

### (b) Aims, goals and objectives

**Global:** To reduce avoidable vision impairment as a global public health problem and to secure access to rehabilitation services for people who are blind or vision impaired in Asia and the Pacific.

5. To ensure that eye health and vision care is regarded as a public health priority in Asia and the Pacific

- To secure continued policy support for improvements in eye health and vision care in Asia and the Pacific from the Australian Government
- To improve the integration of national eye health plans into the broader health system through regional advocacy and planning
- To ensure Australia contributes to the recognition of eye health and vision care as an international public health priority

6. To increase capacity to deliver eye health, vision care and services and supports for independence and participation in Asia and the Pacific

- To increase resources for eye health, vision care and services and supports for independence and participation in Asia and the Pacific from various funding sources
- To encourage evidence based improvements in eye health and vision care in Asia and the Pacific through sector collaboration
- Global Consortium programs are designed, managed and coordinated effectively and efficiently, and meet sector agreed program quality standards (for example gender and disability inclusive programming).

**Organisational:** To operate a respected, effective, efficient and sustainable peak organisation

7. Vision 2020 Australia's structure and systems ensure its sustainability, capacity to comprehensively represent the eye health and vision care sector as its peak body and support delivery of its work in policy development, advocacy and program coordination, in partnership with members.

- Vision 2020 Australia is highly respected as the eye health and vision care sector's peak advocacy body, reflected by continued stakeholder support, member retention and positive feedback
- Vision 2020 Australia is financially sustainable
- Vision 2020 Australia's structure and planning enables achievement of organisational objectives
- Vision 2020 Australia employs appropriately qualified staff who are highly capable in their roles and are supported to perform effectively through professional management and development, and a positive workplace culture
- Vision 2020 Australia meets its legal and regulatory requirements

### (c) Other items

#### Auditors Independence Declaration

The lead auditor's independence declaration for the year ended 30 June 2018 has been received and can be found on page 8 of the financial report.

Signed in accordance with a resolution of the Board of Directors:

Director:  .....

Director:  .....

Dated this 11 day of 9 2018

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### 1 Summary of Significant Accounting Policies

#### Basis of Preparation

Vision 2020 The Right to Sight Australia applies Australian Accounting Standards - Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-profits Commission Act 2012. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue by the directors of the company on the day of the director's report.

#### (a) Income taxes

The company is registered with the Australian Charities and Not-for-profits Commission (ACNC) as a Health Promotion Charity and is a Deductible Gift Recipient.

No provision for income tax has been raised as the company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

#### (b) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### (c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

# Vision 2020 The Right to Sight Australia

ABN 34 094 070 014

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### 1 Summary of Significant Accounting Policies

#### (d) Plant and equipment

Each class of plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised either in profit or loss. A formal assessment of recoverable amount is made when impairment indicators are present.

#### Depreciation

The depreciable amount of all fixed assets, including capitalised lease assets, is depreciated on a straight-line basis over their useful lives to company commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

<b>Class of Fixed Asset</b>	<b>Depreciation Rate</b>
Office Furniture and Equipment	10% - 33%
Leasehold improvements	20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income.

#### (e) Impairment of Assets

At the end of each reporting period, the company assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss.

#### (f) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period that remain unpaid. The balance is recognised as a current liability.

# Vision 2020 The Right to Sight Australia

ABN 34 094 070 014

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### 1 Summary of Significant Accounting Policies

#### (g) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

#### (h) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements.

#### (i) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### (j) Revenue

Grant revenue is recognised in the statement of comprehensive income when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

Membership contributions are received on an annual basis and are recognised as revenue in the period to which the contribution relates. Project contributions are recognised as revenue to the extent related expenditure is incurred, and are otherwise recognised as deferred revenue in an unearned income liability.

Sponsorships are recognised as revenue in the period in which the related activity or event occurs.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

#### (k) Economic dependence

Vision 2020 The Right to Sight Australia is dependent on Government and other external funding for the majority of its revenue used to operate the business. At the date of this report the directors have no reason to believe the funders will not continue to support Vision 2020 The Right to Sight Australia.

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### 1 Summary of Significant Accounting Policies

#### (l) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to confirm with changes in presentation for the current financial year.

#### (m) Critical accounting estimates and judgments

##### *Key judgments - Doubtful debts provision*

The directors have reviewed the trade and sundry debtors at year end and believe that the full amount of the debt is recoverable, and no doubtful debt provision is required as at 30 June 2018.

##### *Key judgments - Recognition of income/income in advance*

The directors have reviewed the services performed under government funded agreements and have made an assessment in relation to the level of services provided against their obligations in determining the unearned income carried forward.

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### 11 Employee Provisions

	2018	2017
	\$	\$
Current	30,532	44,502
Non-current	2,500	10,128
	<u>33,032</u>	<u>54,630</u>

#### Employee Provisions

Employee provisions represents amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the company does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based upon historical data.

### 12 Cash Flow Information

#### Reconciliation of cash flows from operations with net current year surplus

Surplus for the year	75,642	104,387
<b>Non-cash flows in result</b>		
Depreciation	22,352	20,577
<b>Changes in assets and liabilities</b>		
(Increase)/decrease in trade and term receivables	42,806	(278,764)
(Increase)/decrease in prepayments	2,527	(11,527)
Increase/(decrease) in trade payables and accruals	177,976	(176,948)
Increase/(decrease) in income in advance	2,071,714	124,492
Increase/(decrease) in provisions	(21,598)	(19,224)
Cash flows (used in)/provided by operating activities	<u>2,371,419</u>	<u>(237,007)</u>

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### 13 Operating Leasing Commitments

Non-cancellable operating leases contracted for but not capitalised in the financial statements

	2018	2017
	\$	\$
Payable - minimum lease payments		
- not later than 12 months	125,366	126,551
- between 12 months and 5 years	20,894	21,143
	<u>146,260</u>	<u>147,694</u>

There is an operating lease to occupy the office premise at Level 2, 174 Queens Street, Melbourne, signed on 7th September 2006. The original lease term was four years with an option to extend the lease for another four years. On 14 August 2010 this option was exercised which extends the lease until 14 August 2014. The lease was further extended for an additional four years commencing on 15 August 2014 and ending on 14 August 2018 with \$109,787 payable in the first year and annual increases of 3%. The lease was further extended again for an additional year ending 14 August 2019. Rental is paid monthly, in advance.

The company has also included monthly congestion levy and car parking rental in the Queen Street lease commitment.

### 14 Key Management Personnel Compensation

Key management personnel compensation	<u>292,177</u>	370,269
	<u>292,177</u>	<u>370,269</u>

Any person(s) have authority and responsibility for planning, directing, and controlling the activities of the company, directly or indirectly, including its committee members, is considered key management personnel.

## Director's Declaration

The directors of the company declare that:

1. The financial statements and notes, as set out on pages 10 - 22 satisfy the requirements of the Australian Charities and Not-for-profits Commission Act 2012 and:
  - a) complies with Accounting Standards - Reduced Disclosure Requirements
  - b) gives a true and fair view of the financial position as at 30 June 2018 and of the performance for the year ended on that date of the Company.
2. In the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

### Independent Audit Report to the members of Vision 2020 The Right to Sight Australia

#### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Vision 2020 The Right to Sight Australia (the Company), which comprises the statement of financial position as at 30 June 2018, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the director's declaration.

In our opinion, the accompanying financial report of the Company is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2018 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards - Reduced Disclosure Requirements, the Australian Charities and Not-for-profits Commission Act 2012, and the Australian Charities and Not-for-profits Commission Regulation 2013.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of Division 60 of the Australian Charities and Not-for-profits Commission Act and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Vision 2020 The Right to Sight Australia

ABN 34 094 070 014

### Independent Audit Report to the members of Vision 2020 The Right to Sight Australia

#### Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission 2012 and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

## Vision 2020 The Right to Sight Australia

ABN 34 094 070 014

### Independent Audit Report to the members of Vision 2020 The Right to Sight Australia

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
